Guardian PERS with Caregiver Connect

This Personal Emergency Response System features the added benefit of a direct connection to the user's personal caregiver, whether case manager, nurse, or family member.

In addition to the basic water resistant button, the subscriber can also choose to add a two-way voice pendant for extended voice connectivity up to approximately three acres from the base unit. The unit also features the ability to add a stationary HELP speaker button.

**Optional HELP
speaker button**

**Optional two-way
voice pendant**

- CARETAKER button on base unit connects you to your personal caregiver when emergency help is not needed
- Multiple water resistant pendant options
- Pendant range options up to 1,000 feet
- Emergency button on base and/or pendant dials central station help
- 24 hour emergency battery back up
- Compatible with standard tone land-line and most VoIP
